Fr Vic's column will return next weekend, have a wonderful and safe week.

Pope Leo XIV, elected in 2025, is known for his deep personal love of sports, which he integrates into both his public messages and private life.

As the 2026 FIFA World Cup approaches, Pope Leo has set his June prayer intention to pray that sport "may always be a school of fraternity, not of empty rivalry, a space of encounter, not exclusion, a path of peace, not violence". He calls for sport to promote respect, solidarity, and personal growth, and to serve as a universal language that unites cultures and peoples. This message aligns with his broader view that sport reflects the beauty and dynamic love of God, teaching teamwork, humility, and hope.

Before becoming pope, Leo was an amateur tennis player, and he has continues to play. Pope Leo XIV continues to blend his personal passion for sports with a spiritual vision, seeing athletic life as a reflection of Christian values and a tool for peace, fraternity, and personal growth.
