To inspire in each other a longing for holiness, conversion, and an openness to Jesus' call: "Follow Me;" by giving ourselves entirely to Christ through Mary, our Mother, in prayer, the Divine Liturgy, the Eucharist, and His Mercy in the Sacraments.

TITHING - AN ACT OF WORSHIP

The Catholic Church teaches that while tithing is an important practice, Catholics are not required to give a fixed ten percent of their income. Instead, each person is called to support the Church according to the blessings God has given them. Giving is viewed as an act of faith and gratitude, reflecting a willing heart that recognizes everything we have ultimately comes from God.

The practice of tithing has deep roots in Scripture, beginning with the offerings of Abraham and the laws given to the people of Israel. In the New Testament, Christ emphasizes that the value of a gift is found not in its amount but in the love and sincerity with which it is given. Tithing supports the Church and its mission, while almsgiving is an additional expression of Christian charity that serves those who are poor and in need.

Stewardship extends beyond financial contributions and calls every Christian to offer their time, talents, and resources in service to God. By giving according to our means and serving others with generosity, we participate in the Church's mission and grow in our relationship with Christ. Faithful stewardship is ultimately an expression of trust in God's providence and a commitment to living out the Gospel each day.

VACATION BIBLE SCHOOL - UNITED IN MISSION

This week, children from PreK through 6th grade came together for our *United in Mission* Vacation Bible School, growing in faith and discovering how each of us has a special place in God's plan. Through Scripture, prayer, music, crafts, games, and fellowship, the children learned that God knows each of us by name, that we are all one body in Christ, and that we are called to proclaim the Gospel through our words and actions.

Throughout the week, the children explored important moments from the life of Jesus, including the washing of the feet and the Great Commission. They were reminded that being part of the Church means serving others with love, sharing our gifts, and living as disciples of Christ. Through activities such as creating bracelets and planting flowers, the children reflected on how faith grows when we nurture it and share it with others.

We are grateful for all of our wonderful volunteers, teachers, families, and parish community members who helped make this week a meaningful experience for our children. Your time, dedication, and joyful service helped create a place where our children could encounter Christ and grow together as one Church family.
